SUMMER COLLECTION 2019

Strolling across the Greek islands

The unique Greek Summer has got its own symbol:

the famous Greek Salad.

Cool and juicy, simple but delicious Traditional
but always fresh. Well known all over the world
and yet, absolutely Greek.

This is the reason why we have named our brand
after the famous Greek Salad.

To pay tribute to the joyful Greek Summer,
to a simple happiness, to a juicy life near the sea,
under the sun.

All Greek Salad Sandals are handmade
by selected expert Greek craftsmen
devoted to the traditional art of sandal making.
Each pair of Greek Salad Sandals is a piece
of our happy summer 2019.

Summer breeze!
