REFLECTIONS OF THE GREEK SUMMER

The unique Greek Summer has got its own symbol: the famous Greek Salad. Cool and juicy, simple but delicious...Traditional but always fresh. Well known all over the world and yet, absolutely Greek. This is the reason why we have named our brand after the famous Greek Salad. To pay tribute to the joyful Greek Summer, to a simple happiness, to a “juicy” life near the sea, under the sun.

All Greek Salad Sandals are handmade by selected expert Greek craftsmen devoted to the traditional art of sandal making. Each pair of Greek Salad Sandals is a piece of our happy summer 2018.
